

Teacher Training

In the academic session 2021-22, following training programs for teachers were conducted:

1. **IT Skills:** In collaboration with IACT Kakching, a two-day training program was conducted to impart IT Skills to teachers. The training focussed on using online resources to improve instruction. Basic skills of MS Word, MS Excel and Powerpoint were also imparted.
2. **Soft Skills:** In collaboration with Genesis Mission, Imphal, a training program was conducted to improve the soft skills of teachers. It was a 5-day training program that focussed mainly on public speaking and English Language skills.
